

ANNUAL SCHOOL REPORT, 2017-2018

The academic year 2017- 2018 has been as the most momentous in the history of Mareello Public School. We have come of age, and I can proudly present Mareello as the best choice in terms of quality of education. This has been made possible on account of 3 important factors: 1. Sound management Techniques 2. Commitment and dedication of the staff and 3. Steady support of our parents. As we share the yearly updates of our activities, we take the modesty to say that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations.

To avoid lengthy presentation, the report will be a nutshell of all. And you may refer to *Marellian Voice, 2017* for details.

STAFF & STUDENTS

A well-disciplined, committed and responsible teacher is a gift of God. Neither money nor favours can buy that. Mareello is fortunate to have a team of such teachers. Mareello family comprises of 40 well trained, well experienced, dedicated teaching staff and 20 Supporting staff including Clerical Staff, Assisting staff and Bus Drivers. We duly appreciate the tremendous co-operation on the part of everyone associated with the institution who have strived their best to mould our students to work hard to make their dreams and aspiration come true. Academic Year, 2017- 18 witnessed 950 students in the School Campus.

ACADEMICS

Academics forms a major thrust in our scheme of activities. Lessons are planned well in advance to the last details. The use of teaching aids, stories, games, activities, projects, worksheets, etc. are incorporated into teaching plans. Correction and follow up works are regularly monitored and evaluated. Teaching methods and techniques are constantly reviewed at regular intervals to determine their effectiveness. This year the whole academic pattern was framed as per the remodeled assessment structure from CBSE, Delhi.

TESTS AND EVALUATIONS

The academic year is divided into two terms and the Term Tests, Periodical Tests and Internal Assessments are conducted according to the directives from CBSE and results are sent to the parents for appraisal.

CO-CURRICULAR ACTIVITIES

These are integral part of the Marellian School Curriculum. We believe these complement the personality aspect of the child's progress. To make the hobby periods of Wednesday more active and vivid, there are 12 varieties of extracurricular activities such as Karate, Yoga, Drawing, Dance, Aerobics, Abacus Training, Origami, Table Tennis, Chess, Basketball, Football and Classical Music.

COUNSELLING

This year, we are blessed with the precious presence of Mr. Paul Kiriyanthan, the Ex- Principal of Talent Public School as the student counsellor in our campus. His painstaking attempts to understand the various emotional problems of the students and the timely interactions and interventions met with very effective results.
